

Attention Editor:

Please accept the enclosed information on the 2005 International Berry Health Benefits Symposium for inclusion in your upcoming publication. We believe that this symposium will be of great interest to your readers, and give them an opportunity to be among the first to register for the event. Since seating is limited, the earliest registrations will be assured of attendance at the symposium.

All information regarding registration, fees, symposium schedule, poster presentation guidelines and submission, meeting facilities, lodging and travel and symposium contacts and organization may be accessed via the website–

www.oregonstate.edu/dept/foodsci/berryhealth.htm

I am also enclosing a flyer for the symposium for your consideration. If you would like more flyers or have any other questions, please feel free to contact me at cat@oregon-berries.com or by phone at 541-456-2264.

Thank you, for your consideration,
